THANK YOU

The LPOA Board of Trustees would like to thank all of those who voted in the special Trash Project election. The Board is gratified that property owners saw fit to approve the proposal. As with the police levy, once again the community has made the important decision to make Lakengren a better place. This project will provide important revenue to help deal with the many infrastructure needs in Lakengren. To those who expressed doubts about the project, we will try to address your concerns. To those who voted for the project, we will try to delivery results that live up to your expectations.
