## Halloween Walk

The night of the Halloween Walk turned out to be almost perfect. The weather cooperated and it was cool, but not freezing. No wind, and the rain went away. Actually a nice evening for the hay rides and trick or treating at the lodge. Many thanks go to all the volunteers who handed out candy at the little houses. Also to Luke Haynes and Bob Worley for driving the trucks for the hay rides. As always, I would like to thank Bob and Jeannie Stoner and Mike and Anne Schleich for their help with the refreshments. Thanks go to the staff at Scotty's Cafe for their help and their donation of snacks. Thanks go to Futron for donating the 18 dozen donuts. I would like to make a special mention and thank you to Paintcreek Acres, owned by Glen Bowen and Norma Crothers. It is located at 1201 Winters Rd. They are the ones who donated all the pumpkins and gourds for the kids. This year they even delivered them to the lodge for me. Not only do they grow pumpkins and gourds, they have other produce and fresh eggs. Please pay them a visit next summer. Thanks go to the Gasper Township Fire Department and Lakengren Security for their help parking cars and directing traffic. Also to Walgreens for providing the photographer, Pam Remmler, to take the pictures of all the little ones dressed in costume. Pam took over 200 pictures. Thank you to all the property owners for the donations of candy, the absolute heart of it all. The generosity of our friends and neighbors makes it all worth doing. And last but not least, thanks go to Alice Forte for all the help she has given me over the years. I've said it before and I'll say it again...can't do it without her!

## Scotty's Lakeside

### Cafe Earns Kudos

by Janet Davis  
Scott Claypool, operator of the food establishment at the lodge, states response for the restaurant is terrific, and looks forward to "specialty" dinners after the first of the year. On the menu will be Asian foods, German fare, Vegetarian seasonal choices, and may be even a braised young goose. Gourmet is the way.
