

"Momma don't forget to pickup the Pepto-Bismol and Beano, cause the Dragon's Ham & Beans with Wings Dinner is just around the corner". Yes, one of the first signs of spring is our annual World Famous All-you-can-eat Ham & Beans prepared by the incomparable Delance 'Mister' Jackson. He'll once again work his magic for us on 'dem beans'. 'Hot' Bob Stoner will be heatin' things crankin' out cornbread. Back for an encore will be Mike 'Buffalo' Schleich cookin' up a mess of mean wings .Chuck Rutherford will be there to slake your thirst with coffee, tea, and me--scratch that---water. And you ain't done eatin' til you've had 1 (in my case 3 or 4) delectable desserts provided by the Women's 'Gone Wild' Club. And as usual, we will have our 50/50 drawing so you may walk out with a full belly AND a full wallet. All of this and more for a measly 5 spot. So put March 24th from 4 til 7pm at the new MARINA building in your I-phone, blackberry ,android cause it ain't sping without this fling. Haaa-chacha
