

## LPOA Board welcomes back members and installs new officers

Before stepping down as LPOA board member and President, Paul Ellison had one last item of business to conduct and that was to install three new board members. On December 12<sup>th</sup> 2011 Rick McMahan, Rodney Suman and Randy Blaich all took the oath of office with McMahan officially taking his seat on the board once again.

Once all members were officially placed in their seats on the board President Paul Ellison began accepting nominations for LPOA board officers for the 2012 year. Elections were held among the board and they are as follows.

President Deron McEldowney

Vice-President Timothy Simmons

Secretary Matt Brueggemann

Treasurer Randy Blaich

Assistant Treasurer Rich McMahan

Please welcome all three members back to the board and come and support all the new officers. Starting on January 9<sup>th</sup> 2012 the board has several new goals that need to be completed before the years end. The LPOA board meets every second and fourth Monday of each month with the exception of the summer.

Thanks for your support.
