**Rumke Has issued a letter of negative response to Lakengren Property Owners Attempts to Take care of ourselves. Our recent proposal of Independent Trash Removal has Rumpke utilizing their resources to impact your decision. Please keep in mind that Rumpke stands to loose hundreds of thousands of Dollars if we as a Community Band together and make the decision to go independent. If Rumpke is this concerned as to spend dollars to scare you into voting no on this issue it stand to reason that what they loose in revenue is what Lakengren would gain.**
